

ABOUT

Following the successful implementation of the FIA Girls on Track – Rising Stars programme in 2020, 2021, & 2022 the FIA Women in Motorsport Commission is ready to look for more rising stars this year for a fourth edition.

AIM OF THE PROGRAMME

- **FIA Girls On Track – Rising Stars program** is an innovative project to detect and nurture the female racing talent of the future.
- **ONE GOAL:** to detect and promote young female racing talents.
- **Creation of a DEVELOPMENT PATHWAY** for Junior and Senior drivers.

LOOKING FOR FUTURE CHAMPIONS

- FIA Girls on Track - Rising Stars is dedicated to two groups of talented female drivers:
 - JUNIORS between 12-14 years old (31/12/2011) to (31/05/2009)
 - SENIORS between 14 to 16 (31/05/2009) to (31/12/2007)
- Participating drivers with national and international karting experience are required to be fluent in English speaking.
- FIA affiliated clubs, members of the FIA WIM commission and drivers can submit the application directly.
